

Moth Mending

with **Angharad Barlow** @ Dartmoor Wool Loft

Thursday 18th April 6-8pm

Do you have clothes with moth holes that need mending? Or a garment that needs a new lease of life? A favourite woollen jumper, coat, blanket, scarf etc. that you don't want to throw away?

Bring them along and learn how to mend them with delicately needle felted moths and butterflies and create something **beautiful and unique**.

Wool, Cashmere, Angora, etc. are all possible. Knit and washed wool fabrics also work.

All materials are included; just bring your woolens. All levels welcome.

£25 per person.
