DARTMOOR
WOOL LOFT

Peg-Looming for Beginners (Adults & Children)

with **Nat & Nina** @ Dartmoor Wool Loft

Thursday 30th May 6-9pm Friday 31st May 2-5pm

Learn how to make yourself a small sit mat / chair mat using the ancient, traditional and basic art of *Peg Looming*. We will teach you the skills so that you can go away and make your own at home as well as making one on the day.

Peg looming is a simple and rewarding craft; using your hands to stretch and tease the fleece is very therapeutic and the simplicity of this skill makes it accessible for beginners up to more experienced weavers and also for children.

Age 8 upwards; children need to be accompanied & supported by an adult.

£25 per person including all materials and equipment needed. You'll have your own sit mat to take home with you.
